Cancellation Policy

To our valued patients,

We understand that unplanned issues can come up and you may need to cancel an appointment. If that happens, we ask for scheduled appointments to be cancelled at least 48 hours in advance, with the exclusion of health related emergencies.

Dr. Barrientos and our hygienists want to be available for your needs and the needs of all our patients. When a patient does not show up for a scheduled appointment, another patient loses an opportunity to be seen. If a 48 hour advance notice is not given on appointment cancellations, our office reserves the right to charge \$60.00 for time reserved.

By signing this statement, you give your consent to conditions stated above and fully understand that you will be charged if you fail to comply with our appointment policy. If you have any questions regarding this statement, please feel free to ask us, and we will address your concerns.

We are grateful to all of our patients and thank you for your understanding and cooperation with this policy. This will allow us to open unused appointments to better serve the needs of all our patients
